Truppi Consulting, LLC

November 2013

Delaware's Bayshore Byway

ACKNOWLEDGEMENTS

This Corridor Management Plan (CMP) was made possible with grant funding from the National Scenic Byways Program (NSBP) as a sub-program of the Federal Highway Administration (FHWA) and funding provided by the following Delaware State Legislators:

The Honorable Dorinda Connor, Former State Senator
The Honorable Bruce Ennis, State Senator
The Honorable John Still, Former State Senator
The Honorable Richard Cathcart, Former State Representative
The Honorable Valerie Longhurst, State Representative

The authors would also like to acknowledge the members of the Planning Advisory Committee who participated in the process by meeting with the Project Team as a group and as individuals, reviewing drafts of this Plan, willingly providing their guidance and advice and working to develop the concept of the Discovery Zones. The authors also express their appreciation to the members of the public who participated in the public workshops and meetings, and especially those who welcomed us into their homes to discuss their issues and concerns. Without the help of these public spirited individuals, this Plan and the Byway it will guide would not have been possible.

ROLE OF THE GOVERNMENTAL AGENCIES WHO PARTICIPATED IN DEVELOPING THIS PLAN

Corridor Management Plans for Byways are designed to reflect the vision, goals and recommendations of the members of the general public participating in the development of the Plan. While DNREC, DelDOT and the other agencies participating with the public agree in principle with the Plan and its recommendations, it must be understood that these same agencies face many different and sometimes competing priorities, a changing regulatory framework, and funding challenges. As a result, the recommendations contained herein that are assigned to an agency for implementation may be implemented on a different schedule or in a different form than anticipated in the Corridor Management Plan or, due to unforeseen circumstances and regulatory requirements, not implemented at all. Nothing in this statement should be interpreted that any of the participating governmental agencies are withholding support of any of the contents of the Plan.

PLANNING ADVISORY COMMITTEE

DISCOVERY ZONE LEADERS

Linda Ratchford and Tom Maddux – CITY OF NEW CASTLE
Mark Chura – DELAWARE CITY and Becky Webb – FORT DUPONT\C&D CANAL

TABLE OF CONTENTS

CHAPTER 1 – INTRODUCING THE BYWAY

1.0 Overview of the Byway.....	1-1
1.1 The Roads of the Byway.....	1-1
1.2 The Byway Story.....	1-2
1.3 Byway Concept.....	1-4
1.4 Byway Project Process.....	1-6
1.5 CMP Principles, Vision, Goals and Near Term Actions.....	1-8
1.6 Byway Management Structure.....	1-11
1.7 National Scenic Byway Requirements.....	1-11
1.8 Navigating the CMP.....	1-13

CHAPTER 2 – DESCRIBING THE BYWAY CORRIDOR

2.0 Introduction.....	2-1
2.1 Statement of Significance.....	2-1
2.2 The Byway Story and its Qualities.....	2-4
2.3 Corridor Characteristics.....	2-10

CHAPTER 3 – INTRODUCING DELAWARE’S BAYSHORE INITIATIVE AND THE BYWAY’S DISCOVERY ZONES

3.0 Introduction.....	3-1
3.1 Delaware’s Bayshore Initiative.....	3-1
3.2 Current Projects of the Bayshore Initiative.....	3-5
3.3 Discovery Zones.....	3-11
3.4 New Castle Discovery Zone.....	3-13
3.5 Delaware City Discovery Zone.....	3-18
3.6 Port Penn/Augustine Discovery Zone.....	3-26
3.7 Odessa Discovery Zone.....	3-30
3.8 Cedar Swamp/Blackbird Creek Discovery Zone.....	3-32
3.9 Woodland Beach Discovery Zone.....	3-34

3.10	Bombay Hook Discovery Zone.....	3-37
3.11	Leipsic Discovery Zone.....	3-39
3.12	Little Creek Discovery Zone.....	3-41
3.13	St. Jones Neck Discovery Zone.....	3-45

CHAPTER 4 – EXAMINING THE CORRIDOR CONTEXT

4.0	Introduction.....	4-1
4.1	Bayshore Initiative.....	4-1
4.2	Institutional Survey of the Byway.....	4-3
4.3	Corridor Toolkit.....	4-4
4.3.1	Natural Resources and the Environment.....	4-4
4.3.2	Land Use Resources and Guidance.....	4-10
4.3.3	Transportation Assessment.....	4-17
4.3.4	Community Quality and Economic Potential.....	4-31

CHAPTER 5 – PRESERVING AND ENHANCING THE BYWAY

5.0	Introduction.....	5-1
5.1	Setting The Goals.....	5-1
5.2	Developing Strategies and Recommendations.....	5-5
5.2.1	Goal 1: Brand and Market the Bayshore and Byway (CMP Marketing Plan).....	5-7
5.2.2	Goal 2: Conserve the Natural Environment (CMP Enforcement Plan).....	5-13
5.2.3	Goal 3: Support Community Aspirations – Community Discovery Zones.....	5-16
5.2.4	Goal 4: Enhance Access to and Use of the Natural Area Discovery Zones.....	5-19
5.2.5	Goal 5: Maintain the Context, Safety and Character of Route 9.....	5-21
5.2.6	Goal 6: Interpret the Bayshore to Educate Present and Future Generations and Enhance Healthy Lifestyles.....	5-28
5.2.7	Goal 7: Manage the Byway.....	5-35

APPENDICES
